The Vineyards

The grapes for this wine were sourced from two different vineyards in Stellenbosch from the Helderberg ward.

The wine making

The grapes were harvested at 23 to 24 balling depending on the vineyard. In the cellar the grapes were fermented at between 16 and 22 degrees with an average of 45 days skin contact. The wine did malo-lactic fermentation on the skins and was afterwards matured in French, Romanian and Hungarian oak barrels for 14 months.
